

Swimmies

with Alysse Catron

Supply list (please bring to class):

Sewing machine

General sewing Supplies

Rotary cutter and small cutting mat (this will speed your trimming up considerably)

Small Ruler (if you bring a small cutting mat)

Add a Quarter Ruler

Paper Scissors and fabric scissors

Neutral thread

Center Edge sewing foot/Ditch foot (not necessary but helpful)

Notes: A small cutting mat and rotary cutter will allow you to sew and cut at your station without waiting at one of the cutting stations.

We will be doing the no-paper sew method of paper piecing, quick and no paper to tear away.
