

# Portraits with Pizzaz

with Phyllis Cullen

## Supply list (please bring to class):

- Small and large fabric scissors (a recommendation is Fiskars Easy-action Micro-Tip scissors – you'll be doing a lot of cutting)

For the pattern, Phyllis will provide two standard designs to choose from, a hula dancer and a Polynesian man. If you would like to do a custom portrait, such a person or pet, please email the image to Phyllis at [pcul429@gmail.com](mailto:pcul429@gmail.com) by Feb. 1 so that she can prepare your pattern for you. It's ok to send several images; Phyllis will work with you to choose the most appropriate one for this project.
