

Tiffany Bag

with Tiffany Harwood

Supply list (please bring to class):

- Cutting tools (Mat, ruler, rotary cutter)
- Sewing machine with straight stitch and zig zag if possible
- Zig Zag foot (optional) and Zipper foot for machine.
- Neutral color thread and bobbins for machine.
- 1 X 12 ruler (1 X 8 works too. 1 X 6 is too small). I will have both if you want to borrow them.
- Measuring tape
- Marking pen (I normally use a ball point pen – this does not show on the outside of bag).
- Fast turn tool or a big safety pin
- Pins or clips (whatever you prefer to hold project in place).
